## GREATER TEXAS LANDSCAPES RECOGNIZED WITH PRESTIGIOUS NATIONAL SAFETY AWARD

Austin, Texas, November 10, 2006-Greater Texas Landscapes, Inc., (GTL) a leading Austin-based commercial landscaping company, announced today it received the Vehicle Safety and No Loss Time Award from the Professional Landscape Network's (PLANET) annual Safety Recognition Program.

The only recipient of the award in central Texas, GTL was recognized for its achievement in maintaining and exceeding OSHA and other safety requirements.

PLANET's safety program is designed to reward green industry service providers who consistently demonstrate their commitment to safety.

"We're extremely proud of this honor because it recognizes us for our standard of safety - a standard of excellence we're dedicated to across the board," said Deborah E. Cole, TCLP, CCLP, president, GTL. "Safe work environments show our employees and clients that we care and have a vision of safety across all facets of our work."

GTL was recognized at the PLANET Green Industry Conference awards banquet in Columbus, Ohio on [DATE].

Companies that enter PLANET's safety awards program are required to submit a copy of their OSHA 300A Summary of Work-Related Injuries and Illnesses report and their year-end vehicle insurance claims summary report. These reports are used in determining award recipients.

About Greater Texas Landscapes, Inc.

Greater Texas Landscapes is a commercial landscape management company founded in Austin in 1981. GTL specializes in office, retail, industrial and HOA full-service landscape management.

About PLANET

PLANET represents approximately 4,400 green industry service provider companies and suppliers nationwide that specialize in lawn care, design/build and landscape management. These firms and their employees represent more than 100,000 green industry professionals.
